VISION

Our vision is to create an atmosphere that fosters skills and attitudes in children for life in this rapidly changing world. We aim to ensure affordable experiential learning for the children.

Four elements of the school vision to be reflected in mission/goal:

1. Foster skills
2. Develop attitude.
3. Experiential learning
4. Children as lifelong learners

MISSION

Our mission is to cultivate in students a life long passion for learning and bestow them.
